NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of $0.417000 per $100 valuation has been proposed by the governing body of Johnson County.

PROPOSED TAX RATE	$0.417000 per $100
NO-NEW-REVENUE TAX RATE	$0.378820 per $100
VOTER-APPROVAL TAX RATE	$0.421828 per $100

The no-new-revenue tax rate is the tax rate for the 2026 tax year that will raise the same amount of property tax revenue for Johnson County from the same properties in both the 2025 tax year and the 2026 tax year.

The voter-approval rate is the highest tax rate that Johnson County may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Johnson County is proposing to increase property taxes for the 2026 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 14, 2026 AT 9:00 am AT the Johnson County Courthouse, #2 North Main St., Rm. 201, Cleburne, TX 76033.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Johnson County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Commissioners Court of Johnson County at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount= (tax rate) x (taxable value of your property)/100
